

RUGGED.

DOCKING STATIONS AND VEHICLE MOUNTS

17" EPIC Console Box

Euro-styling. Rounded edges for sleek appearance and passenger safety

Proven ruggedness. Heavy-gauge steel, robust hardware and over twenty years of market-proven products assures console box longevity.

Innovative design. Two-piece flexible design allows for 36 different height/angle combinations and for easy access to radios for servicing. Features 12 knockout hole panels for cigarette power adapters, sidewall slots for light bracket mounting and cut outs on the end of the box for easy access to wiring.

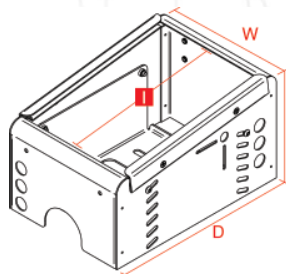

Convenient mounting. Can be used with all existing MCS Series 3-piece vehicle bases and accessories. Pre-cut slots on the box bottom provides for convenient mounting, even to some competitive vehicle bases and for quick installation and servicing.
